

Review Report

to the Members on Statement of Compliance with Best Practices of the Code of Corporate Governance

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of Allied Bank Limited to comply with Regulation G-1 of the Prudential Regulations for Corporate / Commercial Banking issued by the State Bank of Pakistan. The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Bank. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Bank's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Bank personnel and review of various documents prepared by the Bank to comply with the Code.

As part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We have not carried out any special review of the internal control system to enable us to express an opinion as to whether the Board's statement on internal control covers all controls and the effectiveness of such internal controls. Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Bank's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Bank for the year ended December 31, 2005.
