We have reviewed the Statement of Compliance with the best practices (the "Statement") contained in the Code of Corporate Governance prepared by the Board of Directors of Allied Bank Limited (the Bank) to comply with Regulation G-1 of the Prudential Regulations for Corporate/Commercial Banking issued by the State Bank of Pakistan, Listing Regulation No. 35 of the Karachi Stock Exchange, Listing Regulation No. 35 of the Lahore Stock Exchange and Chapter XI of the Listing Regulations of the Islamabad Stock Exchange, where the Bank is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Bank. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Bank's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Bank's personnel and review of various documents prepared by the Bank to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Bank's corporate governance procedures and risks.

Further, Listing Regulations of Karachi, Lahore and Islamabad Stock Exchanges require the Bank to place before the Board of Directors for their consideration and approval related party transactions, distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price while recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the audit committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the audit committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement does not appropriately reflect the Bank's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Bank for the year ended 31 December 2010.
