The Schedule was applicable from tax year 2009 (financial year ended on December 31, 2008). Initially schedule did not contain transitory provisions to deal with the disallowances made upto year ended December 31, 2007. During the period, Rule 8A has been inserted in 7th Schedule, vide Finance Act 2010 which contains transitional provision with respect to provision against non performing loans and leases. However, transitional provisions on certain matters are yet to be notified, and the issue has been taken up with the tax authorities through Pakistan Banks' Association (PBA) for formulation of transitory provisions to deal with the items, which were previously treated differently under the then applicable provisions.

The deferred tax asset on the deductible temporary differences disallowed as a deduction in the past up to December 31, 2007, for which transitory provisions are not available, is being kept as an asset as the Bank is confident that transitory provisions would be introduced to set out the mechanism of claiming where benefit of these allowances can be claimed.
