7. How can I activate myABL Wallet debit card?

myABL Wallet debit card can be activated by calling Allied Phone Banking (042) or (021) 111-225-225 or through biometric verification at any Allied Bank ATM

8. How can I upgrade myABL Wallet to a higher level of myABL Wallet account?

Customers can upgrade their Level-0 account to Level-1 account through myABL Wallet application

Note: In order to upgrade Level-0 account to Level-1 biometric verification is required. Customers can get themselves biometrically verified from any Allied Bank branch by performing cash deposit or withdrawal transaction.

9. What is a Home Remittance account (HRA)?

Your myABL Wallet Level-1 account can be upgraded to a Home Remittance Account (HRA) upon receiving international remittance. A notification will be sent to you to upgrade your wallet account to HRA Account once a remittance is received by ABL on your Level-1 account.

10. How can I receive international remittance in myABL Wallet?

If you are a Level-0 myABL Wallet account holder you need to get biometrically verified from an Allied Bank branch and upgrade your account to a Level-1 Wallet account. In order to receive the remittance simply share your 11-digit Wallet account number (which is your mobile number) or IBAN with the remittance sender. When you receive the remittance in your Level-1 account it will be automatically upgraded to a Home Remittance Account (HRA). The new limits of Home Remittance Account will be applicable. Your IBAN is available under account detail page of myABL Wallet App.

11. What is the per day receiving limit on myABL Wallet Home Remittance Account (HRA)?

Inward per day limit: No Limit (subject to maximum balance limit). Maximum balance limit: PKR 1,500,000/- Credit in HRA can only be made through Home Remittances.

12. What is the cash withdrawal limits from a Home Remittance Account (HRA)?

Total cash withdrawal per day: PKR 50,000. Total cash withdrawal per month: PKR 500,000

13. How can I change myABL Wallet Debit card PIN?
